

Mobile Tool Chest With Drawers - Military Version

FEATURES

- **8 latches deliver a MIL standard NATO certified, IP67 (waterproof -water-tight) seal**
- Engineered for users whose work requires they transport hand tools, power tools and other repair components to the worksite
- Made of robust injection molded Copolymer Polypropylene, making it extremely durable and resistant to impact, rough usage, harsh weather
- The upper compartment contains a removable tray
- Below the removable tray is a recessed area where 5 small component boxes, a laptop computer or tablet can be stored
- The chest's main compartment is covered by a locking and removable drop front door that provides unrestricted access to the drawers
- Both top and drop front door can easily be removed
- Modular design allows tool chests to be fully stacked for easy storage
- Two side handles and an telescoping rear handle (extends up 39"/99 cm) for convenient lifting and transportation
- Accommodates any commercially available padlock or TSA compliant model
- Four silent and self-oiling wheels are mounted at the rear of the tool chest
